|    |                                     | 25 | <b>Christmas Day – no service</b> |
|    |                                     |    |                                   |

### GREETER/USHER DUTIES

1. If you are unable to be Usher/Greeter on your designated date, please trade with others or notify a member of the Worship Committee.
2. On date of church service, greet everyone at top of stairs with a smile and “handshake” as appropriate.
3. Offer a bulletin to be used during church service.
4. Ask newcomers and visitors to sign guest book.
5. Assist people to be seated if needed.
6. Light altar candles during prelude (if not already lit from Sunday School).
7. After service begins, take a headcount of those in attendance and record in book in top drawer of credenza (adult & children).
8. Pass offertory plates to attendees as specified during the service. ***NOT DONE DURING COVID19 PROTOCOL*** – instead offertory plates are at back of sanctuary for individual use prior to service. Near end of the service at offertory section, ushers/greeters take both offertory plates to altar and present to pastor.
9. Extinguish altar candles during closing hymn (if Sunday School members are not).

Be familiar with where first aid items and fire extinguisher are kept (in narthex at back of sanctuary).

We want everyone to be comfortable with how St. Paul’s UCC ushering/greeting is handled. Please contact someone on the Worship Committee if you would like to go over the duties or have questions.
