We started out in the Fall 08 with a good group of students. Along the way our numbers are down. We have 9 students who come regularly. We had five new students for a short while, but they have moved. Some of our students are only in Sunday School every other week or sometimes once a month. We have requested \$50 (from General Fund account) to be given to Judy Nelson, Becky Janovick and Connie Duling, who have been supplying the snacks for Sunday School.

Christian Ed sent \$135 of our Sunday School offering to Ronald McDonald House. Chrissy has kept track of our expenditures so far this year, so that we know how much we are spending and where it is being spent during the year.

We are working with Worship Committee about the caroling party and the Christmas program. The time conflict will be decided later this year. We will send out invitations for senior recognition and provide a gift for the students.

We are encouraging students to attend camp this summer. So far, Joey Taylor will attend a grandparent camp.

The children will distribute the palms on Palm Sunday. A notice was sent to parents informing them of the Palm Sunday breakfast and also inviting them to attend the service. We will have Sunday School on Easter Sunday morning.

We were asked how much involvement we would have with the next Habitat House in Boone. We will do one day of coffee break and lunch along with the devotions for that day. Some will paint or do other tasks as the need arises.
