

Christian Education Committee
Congregational Meeting: Sunday, Oct. 11

Members: Carolyn Douglas, Donna Robinett, Brenna Saxton, Jim Janovick, Chrissy Taylor

Teachers: We have enough teachers for Sunday School. There were ten students the first week, six the second, then four. Some of our students can only attend every other week. There are possibilities for more students who attended Bible School this summer. Robin Brown and Peggy Welter are helping organize crafts and snacks. Norma Shepard is playing piano for our students.

Christmas Program: We are looking at material and will choose a program in October so that we can begin learning songs and looking for costumes, etc.

Confirmation: Christian Ed has contacted the parents of confirmands to organize a trip to the Confirmation Retreat later in October and also the possibility of organizing a fund raiser to earn money for the camp.

Pastor Linda is looking for service projects which the confirmands can be involved in, such as Tiger Tots, Greater Love, Woodward Resource Center, Share program. She is looking for a theme whereby the students can apply what they are learning into “real life”. She is also looking into having the students choose a mentor as they proceed through confirmation. Confirmation will end on Pentecost Sunday, May 23, 2010.
