

## Lay Life & Work Quarterly Report

Lay Life & Work planned, prepared and served the first community Lenten Luncheon in February. In January, the Madrid Ministerial Association requested the churches be prepared and work together to serve Mark Cosens' Funeral Luncheon. Jan Young worked with Charla Kudej and Kathy Kalmoe to organize, gather and make preparations as necessary. St. Pauls LL&W committee worked to set up, prepare and serve approximately 500 at the luncheon March 21. Each committee member furnished 3 dozen cookies or bars.

Finance and Mission asked LL&W to serve a light lunch after church on March 22 before the Elliot Estate "brainstorming work session". The luncheon of Barbecued Pork or Beef sandwiches, relishes, chips, salad, and bars or cookies was served.

LL&W has planned St. Paul's 35th Anniversary Dinner. This dinner will be open to the community and will be held Saturday, April 25th with tickets sold in advance. The cost will be \$8 for adults and \$4 for those 10 and under. We plan to have two seatings; the first at 4:30 and the second at 6 o'clock. It will be served buffet style.

Respectfully submitted,

Jan Young
